

# Incoming 8th Grade Summer Math Assignment - Algebra

Dear Students,

For this year's summer assignment, you will be using a website called Delta Math. You will have 60 questions to complete. Be sure to show your work on loose leaf paper and bring that with you to class on the first day of school! Listed on the following page are the instructions to assist with making an account with Delta Math.

Have a great summer vacation!!  
Mr. McGuire

### Student and Login Information

---

<input type="button" value="Register with Email"/>	or	<input type="button" value="Register with Google"/>
<input type="button" value="Cancel"/>		

- Click REGISTER WITH GOOGLE and use your St. Mary's email address to sign in.
- After logging in, click on assignments (8th Grade - Algebra) and get started!
- You will not receive any points off for a wrong answer. If you get a question incorrect, look at the correct way to answer the question (which is given when you submit your answer) and you will then be presented with another question under the same topic. Once completing all the questions in a specific section move to the next section. Whatever questions that you complete will be saved automatically.
- Be sure to show your work on loose leaf paper and bring that with you to class on the first day of school!
